108 responses

Q21: Give observations/suggestions to improve the overall teaching-learning experience in your institution.

- Very well
- Best teacher
- Everything is good
- Disciplined teachers
- Courses can be more research oriented. Kindly provide elective course based on the willingness even though less strength.
- Infrastructure, ICT Discipline
- Good
- Need to make proper schedule for different activity with study 2 use technological things for teaching on occasionally
- No need for suggestion to improve the overall teaching-learning experience in our institution
- The institute should focus on practical knowledge, and overall, it is best institute
- Lunch break should be provided.
- Quality should be improved in canteen food
- New edition of books should be provided in library for student's convenience
- Very good teaching in our institution
- Homework, regularly test, improve gk also
- Excellent teaching
- Students attending the class regularly
- ICT tools use increment
- Hardworking teachers, Disciplined, Well educated
- Try to teach every student and ask for their doubts
- Conduct seminars and talks for the students
- Encourage them to ask questions
- Use better graphics and visuals methods to engage students well. New technology monthly updates can be given. Organize weekly brainstorming session Set up fun projects that awakes an interest.
- Should use smartclasses programs while teaching.
- Learning
- Hard working stuff!
- More time should be devoted to resolving problems.
- Encourage them to ask questions.
- To improve the pace of learning.
- Encourage student to ask questions.
- If you don't know the answer to a student's question.
- Donot assume that students know what you know.
- They will use ict tools while explaining theory with this it becme more interesting They always encourage us and explain how much study is important for us They don't only praise they institutions but also give example of other institutions
- Give a break between continuous class periods.
- Teachers are co-operative and even helps average students to cope up with the studies. Encourages students to overcome challenges they face in learning and

scoring good marks. Make us understand the concepts clearly through examples and class discussions.

- Smoothly communicate to all students
- Nice
- Very good teaching in college
- Teachers should create some more innovative methods of learning.
- Teachers must pay more attention to weak students.
- Extra curriculum activities need improvement
- Enhance problem solving solutions. Improve their decision-making ability in difficult situations. Addon to existing knowledge.
- No Suggestions, The College is Perfect the way it is
- Good
- The help to average student to cop up with their studies
- Teachers should be more friendly interactive with students. Give practical knowledge more in case of hardware specially and that can only be done when an actual(live) hardware is shown to students. Lab facilities should be improved (a good internet connection, new desktops with latest software etc). A should not be asked irrelevant questions if he/she is practising on some skill in lab.
- Our teaching environment is outstanding so no suggestions
- The institution provides multiple opportunities to learn and grow. The teacher's approach to teaching can best be described as. Fairness of the internal evaluation process by the teachers.
- Extra ordinary things
- Increase study related facilities
- Add some yoga classes to maintain mental or physical health in students.
- To add extracurricular activities which are relatable to students' hobbies with sufficient cost.
- To add an extra lecture which are related to art, painting or like artistic things which helps students to relax their mind and make them to join and learn some new things.
- To add such things in institute in the free morning time which maintains the student's physical and mental health like yoga, exercises or music
- Placements, motivation to grow up, and fee issues
- It is already good and no any suggestions are required
- Job placements
- Job placement, project discussion, practical classes
- including of extra ordinary things include yoga classes to maintain students mental or physical health
- Including of extra ordinary things Include yoga class to maintain student mental or physical health
- include extra ordinary activities include yoga classes to maintain students mental or Physical
- All well
- Practical examples and learning. Teaching about concept more widely rather than focusing only on syllabus. Group discussions.

- Teachers should concentrate more at every child and identify his/her weaknesses and strengths and make him learn accordingly
- Extra ordinary activities,
- Add some yoga classes maintain student's mental or physical health
- Add some educational tours and trips
- Extra ordinary activities, add some yoga classes to maintain students physical or mental health,
- Change the badminton coach
- Explore educational trips
- Make over college more beautiful
- After class help Teacher has a good nature Provide best study material
- Motivator, always helpful
- Teachers very good
- Best teacher
- They doing great job
- Difficult subject to extra classes should be free lecture
- Some of the teachers need training.
- No suggestions
- Very Good
- Try to reach every student and ask their doubts Connected with students' two-way interaction
- Teachers should behave properly with students
- They should take the study seriously
- No curricular activities
- Excellent
- Improve the fees system. because at the time of fees paying so much crowd which is cause to face difficulty to the student of campus
- Canteen rates are very high. It is not affordable by the students
- Structure of the campus is so old from my point of view campus head need to change campus furniture, lighting etc.
- Teachers are good and our learning experience are good
- Teacher are good communication with student and teacher are very experience in studies and good teaching provide the student
- Use better graphics and visual media to engage students well.
- Try to reach every student and ask for their doubts.
- Make teaching a two-way interaction
- Communicate with each Student
- Our teachers are very good
- It can improve in more practical knowledge compare to bookish knowledge
- No suggestions
- Everything is good
- Audio visual must be used,
- Use lcd projector while teaching
- Strong connectivity with students Interaction with students. Provide fair opportunities to develop confidence among students

- Make efforts to interact with students Provide fair opportunities Create fair and just environment
- excellent
- Good teachers who Help every student.
- Good teachers
- Disciplined teacher
