

Action Taken Report based on Feedback Analysis **(2021-22)**

The feedback collected from alumni during the session 2021-2022 depicted that designed curriculum lacked in enhancing personality development and IT Skills among the youth and curriculum need some revision so that the following aspects could be inculcated.

- a) Development of Personality & Improvement of leadership skills.
- b) Development of Research Aptitude.
- c) Development of IT skills of the students.

Taking into consideration this feedback, the college decided to introduce the following new Add on Course in addition to “ Personality Development Program” and “An Introduction to Business Writing” already being run by the Department of English:

- Basic Editing,
- Basic Maya
- Digital Marketing
- Data analysis using power Bi
- Fundamental data analysis using Tableau

In addition to this, the departments planned to organize lectures on Research Methodology for the students to develop research aptitude .
