

Suggestions from Faculty and Action Taken

S. No.	Feedback/Suggestions from Faculty	Action Taken
1.	Encourage students to participate in extra-curricular activities.	Students are encouraged to participate in cultural activities conducted from time to time in the college.
2.	Seminar/Webinars/Workshops should be organized.	Several national and international webinars were conducted sponsored by ICPR. Lectures by experts were also arranged in this regard.
3.	Lectures must be organised to improve the language skills among the students.	Lectures and special classes were arranged to improve the language skills among students.
3.	College should encourage the faculty to attend faculty development programmes.	The college allows the faculty members to participate in faculty development programme, short-term courses, Faculty Induction programme.
4.	Educational visits to historical places should be organized.	Regular educational tours are conducted to historical places.
5.	Practical knowledge other than the course curriculum should be improved in students.	Add-on courses have been started to inculcate specific skills in students.
6.	More focus should be on enhancing communications skills of the students.	Lectures are delivered by experts to improve the communication skills among students.
7.	Course content should be shared regularly in online mode.	Different departments share the online study material, PDF's, e-links etc in the class what's app groups.
