ACKNOWLEDGEMENT

This is Our humble effort to express our thanks to various people to help us in achieving the target of the target of this project. We have been able to learn many valuable aspects of this vast computer field. Many people have rendered us their precious time, valuable suggestion which provide to be stepping for the completion of the project. We should sincerely like to acknowledge with deep sense of gratitude for their help.

First and foremost, we are thankful to God enabling us to develop this project would not have seen light of the day.

Secondly, we would highly indebted to DR. SANJEEV SHARMA (PRINCIPAL OF HINDU COLLEGE) for providing us with excellent infrastructure and awesome environment. The blessing, help guidance given by her time carry us a long way in the journey of life.

We would also like to express our special gratitude to our project in charge, MR.ANSHUMAN SHARMA for the guidance and constant supervision as well as for providing necessary information regarding the project and also for their support in completion the project.

Last but not least, we find no words to acknowledge the financial assistance and moral support rendered by our parents in making the efforts of our success. Without their help it would have been extremely difficult for us to prepare this project.
